

# FUSION™

MINERAL PAINT

Over 50 colours  
to suit every  
style, mood  
and project!

*Paint it beautiful.*

*\* Colours shown are digitally represented and approximate. Tester pots are available in store and are the best reference, as true paint colour will vary in different lighting and surfaces applied.*

32 Custom Blend recipes are also available from your local Fusion merchant!

Need a little more lustre? Six on trend metallics:

Dresser recreated by Lauren Shaver of Bless'er House Blog, featuring Champness, finished with Espresso Wax.
